We have performed the review in accordance with National Auditing Standards 2410 as applicable with International Standard on Review Engagements 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" adopted by resolution number 2041/37a/2018 by Polish Council of Statutory Auditors in Poland of 5 March 2018.

A review of financial information consist of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.
